## EXTENDING HOPE: TRANSFORMING LOUISIANA'S FOSTER CARE SYSTEM

In late August, Ryan had the honor of addressing the Benton Rotary Club, where he discussed a vital piece of legislation that he both created and successfully passed.

# SEPTEMBER MARKS NATIONAL PREPAREDNESS MONTH

September is National Preparedness Month, a time designated to encourage individuals, families, and businesses to review and improve their readiness for disasters and emergencies. Now is the perfect time to review key legal documents like your will, power of attorney, and healthcare directives. In an emergency, these documents ensure that your wishes regarding property, healthcare, and guardianship are followed.

Disasters often lead to a surge in property damage and insurance claims. Be prepared by reviewing your insurance policies, documenting the contents of your home or business, and knowing the process for filing a claim. Make sure you are prepared, contact our firm today for a consultation on how you can be legally ready for any situation.
